Transform lives through the powerful and passionate delivery of John Girton. His creative approach to education inspires, entertains and captivates audiences as he delves into past successes and failures to reveal life altering truths. According to Girton, "Nothing compares to the feeling of seeing their eyes of someone who finally get's it!"

John's anecdotes will connect, his enthusiasm will empower and his message will transform the attendees at your next Men's Conference, Youth Outing, High School, College or Church Event. So, strap yourself in and get ready for an up front, in your face presentation that is sure to be treasured for years to come.

John Girton's years of experience as a multimedia entrepreneur and business mentor has enabled him to become a sought after educator. Presently he is an Adjunct Professor and Television Operations Manager at Tennessee State University in Nashville. John is well versed in the areas of **Leadership, Entrepreneurship, Future Trends and Emerging Technologies, Youth Empowerment, and Men's/Fatherhood Issues.**

"John had lots of energy and did not talk down to the students. He allowed many of them to be involved. He sought to involve all the students not just the academically gifted."

"Energy, passion and confidence. This program empowers students in the areas of academics, career choices and post-secondary education."
